7th January 2021

Dear Parent/Guardian

Remote Learning for Year 8

Learning Packs have been prepared for Year 8 students and will be available for collection from the school by either parents/guardians or Year 8 pupils on Monday next, 11th January as follows:

- | | |
|---------------------------|---------|
| • 9.30 to 10.30am | 8 Braid |
| • 11.00am to 12.00 midday | 8 Foyle |
| • 1.00 to 2.00pm | 8 Lagan |

We would ask you to bring a sturdy bag/carrier bag, as there is quite a lot of material to collect. If you are not able to collect the pack on this day, please contact the school and we will make alternative arrangements with you.

This work is for your child to complete during January, and we are asking for completed work to be returned when you come into school at the start of February to collect your child's Chromebook. From that point forward, work will be set for your child using Google Classroom and other online learning platforms.

We will be in contact with Year 8 parents towards the end of this month about arrangements for the collection of the Chromebook. I would ask parents who have not yet paid the £100 contribution towards their child's Chromebook to please do so as soon as possible, so that we can release the Chromebook to your child at the start of February.

Yours faithfully

Dr M Knox
Principal
